All SLP contractors, including certified Small Businesses and Disabled Veteran Business Enterprises, will be required to pay DGS-PD a 1.25% incentive fee for all orders placed by local government agencies via a SLP contract. AGENCY RESPONSIBILITY

Agencies must contact contractors to obtain copies of the contracts and compare them for a best value purchasing decision.

Each agency is responsible for its own contracting program and purchasing decisions, including use of the SLP program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with Government Code 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, the DGS Office of Legal Services is available to provide services on a contractual basis.

ORDER REQUIREMENTS AND MAXIMUM ORDER LIMIT

- Unless otherwise determined by an individual ordering agency purchasing authority, no SLP order may be

executed by a State agency that exceeds that agency's purchasing authority threshold. State agencies with approved purchasing authority, along with their dollar thresholds can be obtained at the [List of State Departments with Approved Purchasing Authority](#).

- Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using SLP contracts. The requirements for the following bullets are in the SCM, Volume 3, (for IT): If soliciting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Std. 843) in the Request for Offer. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See the SCM Volume 3, Chapter 3)
- This is not a bid transaction, so the small business preference, DVBE participation goals, protest language, intents to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers solicited did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected contractor.
- For SLP transactions under \$10,000, only one offer is required if the State agency can establish and document that the price is fair and reasonable. The fair and reasonable method can only be used for non-customizable purchases.

Local governments set their own order limits, and are not bound by the order limits on the cover page of this contract.

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders (SAM 3572).

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited (SAM 4819.34).

MINIMUM ORDER LIMITATION

There is no minimum dollar value limitation on orders placed under this contract.

ORDERING PROCEDURES

1. Order Form

State departments shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the [Standard Form 65](http://www.osp.dgs.ca.gov/pdf/std065.pdf): (<http://www.osp.dgs.ca.gov/pdf/std065.pdf>)

2. Purchase Orders

All Ordering Agency purchase order documents executed under this SLP must contain the applicable SLP contract number as show on page 1.

1. State Departments:

Std. 65 Purchase Documents – State departments not transacting in FI\$Cal must use the Purchasing Authority Purchase Order (Std. 65) for purchase execution. An electronic version of the Std. 65 is available at the DGS-PD website at <http://www.dgs.ca.gov/pd/Forms.aspx> (select Standard STD Forms).

FI\$Cal Purchase Documents – State departments transacting in FI\$Cal will follow the FI\$Cal procurement and contracting procedures.

2. Local Governmental Departments:

Local governmental agencies may use their own purchase document for purchase execution.

The agency is required to complete and distribute the order form. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services being provided. The cost for each line item should be included in the order, not just system totals.

The contractor must immediately reject orders that are not accurate. Discrepancies are to be negotiated and

SOFTWARE LICENSING PROGRAM (SLP)
Aurora Systems Consulting, Inc.
SLP-21-70-0033V

incorporated into the order prior to the products and services being delivered.

3. Service and Delivery after Contract Expiration

Purchase orders must be issued before the SLP contract end term expires.

Also, purchase order amendments cannot be issued to add product and software maintenance if the SLP contract end term has expired.

CONTRACT PRICES

Contract prices for products and/or services are maximums. The ordering department is encouraged to negotiate lower prices.

PRODUCT AND PRICING CHANGES AND/OR UPDATES ARE NOT AUTHORIZED UNTIL REVIEWED AND APPROVED BY DGS PROCUREMENT DIVISION SOFTWARE LICENSING PROGRAM.

Said documents are to be sent to the Department of General Services (DGS) Procurement Division, Software Licensing Program, 707 Third Street, 2nd Floor, West Sacramento, CA 95605-2811, Attention SLP Unit.

CONTRACT EXTENSIONS

The initial term of this SLP contract is **3 years** and may be extended for an additional 2-years, however an amendment must be issued prior to contract end date.

NOTE: Extensions are optional and are at the discretion of the state.

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the SLP, state departments shall, whenever practicable, first consider offers from small businesses that have established SLP contracts [GC Section 14846(b)]. NOTE: The Department of General Services auditors will request substantiation of compliance with this requirement when department files are reviewed.

SMALL BUSINESS/DVBE – TRACKING

State departments are able to claim subcontracting dollars towards their small business or DVBE goals whenever the Contractor subcontracts a commercially useful function to a certified small business or DVBE. The Contractor will provide the ordering department with the name of the small business or DVBE used and the dollar amount the ordering department can apply towards its small business or DVBE goal.

SMALL BUSINESS/DVBE - SUBCONTRACTING

1. The amount an ordering department can claim towards achieving its small business or DVBE goals is the dollar amount of the subcontract award made by the Contractor to each small business or DVBE.
2. The Contractor will provide an ordering department with the following information at the time the order is quoted:
 - a. The Contractor will state that, as the prime Contractor, it shall be responsible for the overall execution of the fulfillment of the order.

SOFTWARE LICENSING PROGRAM (SLP)
Aurora Systems Consulting, Inc.
SLP-21-70-0033V

b. The Contractor will indicate to the ordering department how the order meets the small business or DVBE goal, as follows:

- List the name of each company that is certified by the Office of Small Business and DVBE Certification that it intends to subcontract a commercially useful function to; and
- Include the small business or DVBE certification number of each company listed, and attach a copy of each certification; and
- Indicate the dollar amount of each subcontract with a small business or DVBE that may be claimed by the ordering department towards the small business or DVBE goal; and
- Indicate what commercially useful function the small business or DVBE subcontractor will be providing towards fulfillment of the order.

3. The ordering department's purchase order must be addressed to the prime Contractor, and the purchase order must reference the information provided by the prime Contractor as outlined above.

PRODUCTIVE USE REQUIREMENTS

The customer in-use requirement applies to all procurements of information technology equipment and software, per the SCM, Volume 3, Chapter 2, Section 2.B6.2 and SCM, Volume FI\$Cal, Chapter 2, Section 2.E3.2.

Each equipment or software component must be in current operation for a paying customer and the paying customer must be external to the contractor's organization

(not owned by the contractor and not owning the contractor).

To substantiate compliance with the Productive Use Requirements, the SLP contractor must provide upon request the name and address of a customer installation and the name and telephone number of a contact person.

The elapsed time such equipment or software must have been in operation is based upon the importance of the equipment or software for system operation and its cost. The following designates product categories and the required period of time for equipment or software operation prior to approval of the replacement item on SLP.

Category 1 - Critical Software: Critical software is software that is required to control the overall operation of a computer system or peripheral equipment. Included in this category are operating systems, data base management systems, language interpreters, assemblers and compilers, communications software, and other essential system software.

STATE AND LOCAL GOVERNMENTS CAN USE THE SLP

State and local government use of the SLP contracts is optional. A local government is any city, county, special district or other local governmental body or corporation, including UC, K-12 schools and community colleges,

that is empowered to expend public funds. While the state makes this contract available, each local government agency should make its own

determination whether the SLP is consistent with their procurement policies and regulations.

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies and guidelines are applicable. THE USE OF THE SLP DOES NOT REDUCE OR RELIEVE STATE DEPARTMENTS OF THEIR RESPONSIBILITY TO MEET STATEWIDE REQUIREMENTS REGARDING CONTRACTING OR THE PROCUREMENT OF GOODS OR SERVICES. Most procurement and contract codes, policies, and guidelines are incorporated into The SLP contracts.

Notwithstanding this, there is no guarantee that “every” possible requirement that pertains to all the different and unique state processes has been included.

TERMINATION OF SLP CONTRACT

1. The State or Contractor may terminate this SLP Contract at any time upon 30 days prior notice.
2. Upon termination or other expiration of this Contract, each party will assist the other party in orderly termination of the Contract and the transfer of all assets, tangible and intangible, as may facilitate the orderly, nondisrupted business continuation of each party.
3. This provision shall not relieve the Contractor of the obligation to perform under any purchase order or other similar ordering document executed prior to the termination becoming effective.

STATEWIDE PROCUREMENT REQUIREMENTS

Departments must carefully review and adhere to the following Procurement Requirements, such as:

- SAM Section 4819.41 and 4832 certifications for information technology procurements and compliance with policies.
- Services may not be paid for in advance.
- Departments are required to file with the Department of Fair Employment and Housing (DFEH) a Contract Award Report Std. 16 for each order over \$5,000 within 10 days of award, including supplements that exceed \$5,000.
- Pursuant to Unemployment Insurance Code Section 1088.8, state and local government agencies must report to the Employment Development Department (EDD) all payments for services that equal \$600 or more to independent sole proprietor contractors. See the contractor's Std. Form 204, Payee Data

Record, in the SLP contract to determine sole proprietorship. All inquiries regarding this subject should be forwarded to EDD: Technical questions: 916/651-6945 or Information and forms: 916/657-0529.

- Annual small business and disabled veteran reports.

ETHNICITY/RACE/GENDER REPORTING REQUIREMENT

Effective July 1, 2002, in accordance with Public Contract Code 10116, state departments are to capture information on ethnicity, race, and gender of business owners (not subcontractors) for all awarded contracts, including CAL-Card transactions. Each department is required to independently report this information to the Governor and the Legislature on an annual basis.

Departments are responsible for developing their own guidelines and forms for collecting and reporting this information.

Contractor participation is voluntary.

PAYMENTS AND INVOICES

1. Payment Terms

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

2. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, e.g. between specific departments and certain types of non-profit organizations, or when paying another government agency (Government Code (GC) § 11256 – 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription and may be paid in advance if a provision addressing payment in advance is included in the purchase order.

Software warranty upgrades and extensions may also be paid for in advance, one time.

3. Payee Data Record (Std. 204)

State Agencies not transacting in FISCAL, must obtain a copy of the Payee Data Record (Std. 204) in order to process payments. State Ordering Agencies forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed. State Agencies should contact the Contractor for copies of the Payee Data Record

4. DGS Administrative and Incentive Fees

Orders from State Agencies:

The Department of General Services (DGS) will bill each State agency directly an administrative fee for use of SLP contracts. The administrative fee should NOT be included in the
